

# In Awe

As a child who gazes  
I am in awe.

Given to see glimpses of the unseen  
I am in awe.

As you caress this my frailty  
I am in awe.

Given to receive of your compassion  
I am in awe.

As I have stared into my mortality once finite  
I am in awe.

Given to receive of the timeless, the sacred eternal  
I am in awe.

Immersed in your tranquility  
I am in awe.

Calmed in the wind of your breath  
I am in awe.

Pondering deep things in your presence  
I am in awe.

Waking with you there with me  
I am in awe.

In the still of the evening at my altar  
I am in awe.

As the silence of your stillness absorbs me  
I am in awe.

Caressed in your peace  
I am in awe.

Faithful are you in all your ways  
I am in awe.

When the shadows cease and the darkness flees  
I am in awe.

As brooks of tears flow from this heart  
I am in awe.

When your spirit shines upon me  
I am in awe.

To have been found  
I am in awe.

In the whispers no one else can hear  
I am in awe.

As your manna reaches me  
I am in awe.

In the asking and receiving of you  
I am in awe.

Immersed in your living water  
I am in awe.

Pressed as a grape in your winepress  
I am in awe.

As the new wine, the new song flows  
I am in awe.

Hidden away under your wing  
I am in awe.

Protected by a multitude  
I am in awe.

In the angel's embrace  
I am in awe.

Bathed in your light and love  
I am in awe.

Coming through my valley of death  
I am in awe.

Bones once hollow filling with your marrow  
I am in awe.

Once unable to breathe  
I am in awe.

As your breath fills my sails  
I am in awe.

Your furnace refining seven times  
I am in awe.

Seeing you in the mirror  
I am in awe.

Reflections of a new beginning emerging  
I am in awe.

In the procession  
I am in awe.

Holy liaisons gathered around me  
I am in awe.

In the stillness of your voice  
I am in awe.

Sheltered in the compassion of your smile  
I am in awe.

Enveloped in your loving kindness  
I am in awe.

As your face shines forth  
I am in awe.

Two hearts beating as one  
I am in awe.

Safe in your harbor  
I am in awe.

Upon the rock  
I am in awe,

As a lamb lying with the lion  
I am in awe.

Bowed before the most high  
I am in awe.

A servants candle lit  
I am in awe.

Hope restored  
I am in awe.

In your pavilions of splendor  
I am in awe.

Heavens pouring forth  
I am in awe.

As the receiver  
I am in awe.

Humbled  
I am in awe.

With you beside me  
I am in awe.

Loving you with every part of me
