

The Holy Spirit Led Life

Unity Is In Jesus Christ...

The flesh cannot co-dwell with The Holy Spirit
as it cannot be both light and dark.

Are you Led or driven ?

A relationship desired with The Lord
must recognize that flesh is not
good nor does it serve
Him, it serves
itself.

Is there unity in our world ?

Is the way well lit with hope In Christ ?

Are man's plans and efforts sufficient ?

Will man be able to save himself ?

Is man so misguided that
he believes so ?

So why do we find ourselves under such
dark clouds filled with such fear
and such great doubt ?

Why is the world growing darker and not lighter ?
Well, the answer is that nothing man has
done has worked to better things.

The precious borrowed time offered us
**Under The Grace of God
And Jesus' Sacrifice**
has been wasted away !

The flesh manages to rule and continues
to till the dust calling it a garden.

Though the garden is filled and over grown
with weeds we continue to fertilize
and tend the garden as
though it be
good.

The falsity of good works of flesh have man
reeling in prideful self recognition of
himself for the great things
he believes he does.

The many causes and purposes of man
are wrought with self and are of
the rotten flesh that bears
the fruit like in kind.

The flesh is at the root of all things evil.
It can no longer be hidden away.
It cannot be concealed.

The flesh is blind and is deaf.
The bones are hollow.
Death is not
Life.

The flesh cannot apply the wisdom that we
have been granted in The Word.
The disunity in the world
is the witness of
this Truth.

In the eyes and ears of loathsome flesh The Gospel
is fruitless... worthless in our quest !!!

We must fend for ourselves !
We seek to enlighten ourselves !
We must move forward at all costs !

The cost has become too great and
Enough Is Enough !!!

The vain attempts to live a life In Christ
in the flesh is not working at all.

It is an utter failure !

In the centuries following
The Crucifixion of Christ,
The Holy Son of God The Father
man has taken all that was offered
and wasted precious time,
wasted the Gift.

What shall we expect in return for our continued flesh
obstinance and stubbornness before God ?

Where are the true vessels and stewards of The Lord ?

They are too busy being led around by the nose
by the world and the powers of the world
despite being told to not conform
to it or its ways that are
not of The Lord.

They are asleep and prefer sleep over
both Truth and soberness.

They have partaken of the wine pressed
of deep iniquity and of sin.

They lie in the gutters of devastation
while believing it is all good.

Buildings are filled with seekers that find
solace in the mere superficialities,
satisfying the flesh with
false comfort...

Not the nurturing of the soul or the cleansing,
purging and purifying of the heart !

Deception rules in the hearts of men as
the darkness is preferred to the
Light that is to rule the
day and the night.

Yet in the night evil is perpetrated while
the comfort of sleep quells

The Call of The Lord

in the light of the day !

Now we find evil perpetrated all the day long.

Now rather than a heart of David
who despised the evil we
find hearts that
love evil.

Rather than crying out to God
man prefers to allow
suffering to
rule.

Where is The Holy God of Israel and
Christ Jesus in this scene ?

Where are They in the scheme of life ?

Who has man foolishly chosen to follow | ask ?

Who are these people that | see all
around me that care so little ?

They are willing to follow anyone
aimlessly and willfully.

They attempt to teach the flesh to come
in line with The Scriptures and
to live a Life In Christ.

This is an utter impossibility !

We must reject and bring the flesh to bow low so that
The Lord may teach us The Wisdom we need.

The world indeed lives on borrowed time.

The flesh will lose out and will
pay the final price.

The flesh knows no riches of heaven.
It only knows and cherishes
the false riches.

It cannot store riches in heaven for the flesh
fills and hordes its self proclaimed
wealth in things and banks.

The flesh knows not proper priorities.
The flesh knows not wisdom.
The flesh cares not.
The flesh is
busy.

The flesh knows these things loving them dearly
hanging unto mere morality over the
sacrifices for immortality.

Either you come against your flesh
and pick up your crosses or
the flesh will destroy
and consume
you.

The flesh that justifies itself In Christ
is both a liar and a deceiver.

Only the flesh would dare to do such while in
so undermining Jesus and His Walk,
while claiming salvation will
be there as my
prize.

Though you deceive yourselves you
deceive not The Lord.

Who has heeded the warnings of God ?
Who is prepared and who is not ?
Who Is Really in charge ?

The Lord Is In Charge,
The LORD Is IN CHARGE !!!
Where are the eyes that see,
the ears that hear ?

The time of this behavior is now certainly over
though they will continue disruption,
anarchy and chaos in their
flesh glorified.

The Lord has stayed the hand of time !
The Time is The Time while the
flesh continues to run
after the hand
of time.

The flesh prefers its own pursuits.
The flesh prefers its ways.

Those who prefer the old will remain in the old
and bound by the old, while the new
emerges free and unbound

In Christ The Messiah.

The flesh cannot have a relationship.
The flesh is unable to embrace.
The flesh serves but itself.

The flesh knows not
Love and the flesh serves not

OUR GOD IN HEAVEN !!!!

Who has bowed and who has not ?
Who is willing and who is not ?

Who stands before God daring to
raise themselves and raise
their flesh above

His Holy Spirit

while claiming to be Led of The Lord !

Fearlessly the flesh frolics and prances
all around this garden of weeds
dancing to the sound of
of music of false
realities.

It has become abundantly clear that the vial flesh
cannot teach itself to live a life abundant.

Yet people seek their purpose
driven lives while in
and of the
flesh.

The flesh comes against all things good.
The flesh is death and cannot
raise itself unto life.

Where is The Holy Spirit Led Life
in a world where people prefer driving,
driving their own vessels ?

Where are The Proper Teachings
of The Gospel of Christ ?

Where are the meek and broken ?
Where are the honest ones ?

The Scriptures are not a flesh exercise;
The flesh cannot conform itself
to its deep passages.

The flesh is most assuredly not granted
safe passage through false faith.
Misappropriated faith
is an empty
cup.

A cup empty believing itself full cannot
quench a thirst or pour out
the finest wine to
another.

Where are the living sacrifices unto Christ?
Indulgence is contrary to following.
Indulgences are bought and
sold every day in the
markets of the
world.

Come and see my many beautiful wares !
Surely there is something
here for you...

Open your pocketbooks; I have many idols and
adulterations for your consideration.

Where have you been shopping ?
What have you in *your* cart ?

Your homes and closets are filled with the
filth of the world favoring it over
the purity and sanctity
of heavenly
things.

Your bookshelves are filled with many books that
are rotting away and when opened up
would send up a stench high
toward the heavens !

Ignorance is the wrong choice made and owned !

Laziness is not vigilance nor of The Way of The Lord!

Drunken of the flesh is not soberness.

Denial is your stumbling block.

Deep unbelief is a wall.

True belief knows what is right and what
is wrong and will not sacrifice
the good for evil.

I see religious orchestrators, performers and conformers
not spiritual leaders being led of The High Priest.

Who needs The Lord when things are so
very good and comfortable here
in our dens of iniquity?

There is no room granted The True Priest.
There is humility insufficient unto Him.
There is great pride in *your* works.

Who reigns in this absence and in the void?
Who can fill this ugly void that is devoid?
Who have raised themselves so high?

It is a Sacred relationship that is
missing as was modeled

By Jesus Christ Himself.

The offer was made by the spilling of His Blood.

The Bridge was established by sacrifice.
The broad path became narrow.

Grace has been misread as a relationship
in abstensia where The Lord
is not seen or heard.

Grace as is written is unto mercy.
Mercy as written is unto forgiveness.

Yet man continues to hide clothed in his sin
lacking in both honesty and Truth.

The Mercy Seat
Is a Holy and Sacred Place !

It is not a place for liars and deceivers !

Darkness and sharing the seclusion of error in the open
are their safe haven where man blindly follows.

The world is not hidden from our sight
and the time of excuses is
both old and over.

I see bondage,
not freedom In Christ !

I see oppression,
not freedom In Christ !

Where Is The Light where darkness rules ?

For all the efforts of man In God's Name
where is there one nation bowed

To Christ The King And Lord ?

It is time to stop fooling ourselves...

Mass deception is made up of a multiple
of individual deceptions.

Purity is ruined by the ingestion of the poisoned
meals served in the line the flesh stands in
eagerly consuming a false gospel.

Lord give us this day our daily bread.

The Bread of Life, The Manna

will not fall from the heavens
where it is not wanted or received ?

This garden of weeds has only remained here

By And Under the Grace Of God

not because man is righteous.

It Is Christ That Is Righteous !!!

As He was not ruled of the flesh so
He overcame and lived.

It was satan who offered Jesus comforts
and power over the kingdom where
the flesh rules and commands.

Jesus did not bow to satan so why do we ?
Jesus walked a high path so why do we not ?

And if Jesus is seated at the right hand of God,
why do we bow to the ruler of the world
that is the same satan now as
then and before ?

When will the unrighteous bow
To The Righteous One ?

When will man seek to enter into honesty
and transparency before **God ?**

It is the time written and the time awaited.
It is the time written of fulfillment.

I hope **In The Light of The Truth** that you
find that the flesh that rules will come
to an end and bow to **Christ**.

I hope that in **The Truth of The Gospel** that you will
find a deep reverence of **Our God** in heaven.

There is so much more offered us **In Christ**
who seek in earnest the narrow path.

Christ Jesus walked the narrow path and taught
that there is no other way to walk.

To be steadfast For and walk upright In Christ
requires that we seek a relationship,
that we stop groveling at
the feet of the
world;
We must stop walking the
wrong path first.

If the flesh is raised above The Spirit of God,
we then come against The Spirit of God.

We are all born and arrive here of
The Holy Spirit of God The Father.

The Spirit of Light And Holiness resides
deep within us yet remains subdued
and kept under lock and key!

An honest man acknowledges these things to be True.

A sober and vigilant man Seeks God First
in all matters and in all things.

A Holy Spirit Led Life

knows no accidents for they are
avoided before they arrive.

A Holy Spirit Led Life

is patient and waits to hear God's Will
while imprisoning ones own.

A Holy Spirit Led Life

knows when to flee as Jesus knew
when to flee from evil.

Anything short of The Holy Spirit guiding
your life is the flesh fooling oneself.

True Unity comes by individual freedom In Christ.

Collective Unity as a body Is In Christ.

To Be Led of The Lord
The Holy Spirit of YAH,
God The Father

Is The Way of Jesus Christ.

Being One is to know The One True God.
One on One becomes a multitude of One !

Let us not forget the lessons of The Old Testament
that set forth the narrow path through Moses
and through Abraham who heard God
and were given specific details
regarding the ways of

The Holy God Of Israel.

The flesh knows only of The One but cannot be One.
The mind is but a shallow graveyard of neglect
and of good intentions gone awry.

carnal is carnal and Spiritual Is Spiritual !!!

When will you draw the line that cannot
be crossed between the two ?

Will you hold the line for others,
The children of Our Father,
The brothers and sisters of Jesus ?
Will you lay down your life for them ?

Can you even draw a line that cannot be crossed
without Jesus Christ who crossed no line ?

Is a life lived alone, cold and afraid a life at all ?
Is denial of such by a comfortable flesh
a deterrent against such a life ?

So if Grace has granted you the time to become
humble in The Truth, are you humble ?

So if Grace has allowed you to be blind
and you wish to now see, will you
be denied or do you deny
yourself foolishly ?

Will God's Grace remain there if you believe that
you can hide your sin behind it and in the
Light of The Truth continue on
in your denial and lies?

If we are each Adams and Eves, then why do
we prefer to till the dust and nurture
a garden overgrown in weeds
that is not the garden
of Eden ?

Let us be the new plantings In Christ
in soil that is fertile and rich in

The Holy Spirit

fed of The Manna and of The Living Waters !
It is not wise to test Grace and The Mercies of God.

It is not wise to continue on in ways unfit for life.

It is not wise to test God with insolence.

Is The Lord God to be trifled with in a time as this ?

Is The Lord God to be trivialized in this way ?

Is The Lord God a stumbling block or
do you find yourself stumbling ?

Let us always remember that the disciples
knew their God and were guided
by The Comforter that is

The Holy Spirit.

They led and modeled the True Walk with God.

They modeled relationship with God.

They so loved God that
they laid down
their lives.

They knew about the laying down of life
for the greater purpose of

The Holy Spirit

by their witness of **Jesus Christ!**

So we too are called to a life led by the example
of Christ and of the true followers.

Did they suffer so that we can live the life
of comfort and in neglect of them
and their walk In Christ?

Let us remember they Were and Are One
in heaven and we can only hope

In Christ Jesus

for The Promise they
believed in and
received.

*We can also believe as they believed.
We can also receive much as they received.
We can also grab hold of Jesus for strength to
do what is called out for us to do.*

Read your Scriptures and hear with open hearts.

Stop trusting in the many that know not

The Lord or His Kingdom !

Bow where others have not bowed.

Yield where others have not.

Hear and obey where
others do not !

The Light Of Christ

and your light will remain hidden, subdued
in you if you do not heed or listen !

Come out of your hiding places
Into The Light !!!

It is time to let your little lights Shine In Jesus !

The Holy Spirit Led Life

Is a life that is willing to change and to
separate itself from falsity...and
Is to be set apart and
a captive of

Jesus Christ!

The Holy Spirit Led Life

Is a life lived that no longer drives along
with the flesh in the front seat
blindly navigating.

The Holy Spirit Led Life

Seeks in earnest and in honesty the Godly
relationship that begins and ends
with you and with God.

May you know come to know
The Tender Mercies of God The Father
Through His Son
Jesus Christ !!!.

Let us be of One God,
Led of The One Holy Spirit
One people United In Christ!
